Ethyria Fashion Catalog

A project by Reimu x Enna x Millie Fancords

About this zine

The Ethyria Fashion Catalog is a zine that sprouted out as a fan passion project to include all Ethyria fans. The zine showcases the lovely ladies of Ethyria in different fashionable wear and gear from each of our participating artists.

Our main goal was to have fun putting Ethyria in different styles of fashion; with over 30+ participants, we hope you enjoy the artworks we have on display! A big thanks to the livers for inspiring the zine, and to the people that worked to make it a reality!

Happy One Year Anniversary, Ethyria!

Debut - 9th October 2021
